Steel Processing Capabilities

800-356-5350 | www.herculesindustries.com | sales@hercmail.com

Our Mission:

As we provide a full line of products for heating and air conditioning systems to contractors throughout the Western United States, we will instill a philosophy and culture of continued improvement in our company.

Through growth, we will invest in our business to provide the tools for future opportunities. We will nurture and maintain the family culture of our employee owned business in which we grow financially, intellectually, emotionally and spiritually.

As one of the largest steel processors in the western U.S., **we produce our own sheets and coils.** **We order our materials directly from the steel mills** which gives us the ability to procure materials at mill costs.

OUR EXPERTISE

- Slit Coil Processing
- Bulk Slit Coil and Flat Sheets
- 10-30 Gauge Range
- Up to 60 Inches Wide
- Variety of Metals
- High Speed Precision
- Domestic Mill Partners
- Application of PVC & Paper Interleave Capabilities

25-30 Employees
82,000 Sq. Ft. Facility

BENEFITS OF WORKING WITH US

- Our People
- Vertical Integration
- State of the art Machinery
- Full-Service Center
- Superior Buying Power
- Fast Turn Around Times
- Unmatched Quality

STEEL

SLIT COIL PROCESSING

STAMCO/MONARCH PRECISION SLITTER

- Capable of processing 300,000lb. - 400,000lb. of material in an 8 hour shift (utilizing 40,000 lb. coils)
- Capable of processing 500,000lb. in an 8 hour shift if running strictly break-for-weight (breakdown) jobs
- Isotope thickness gage providing standard coil mapping.
- Multiple locations throughout the Rocky Mountain West
- All incoming/outgoing coils have a 20-24" I.D. with a 72" max O.D.

PROCESS

BUY DIRECT DOMESTIC STEEL

Hercules buys steel direct from steel mills in railroad car quantities.

HIGH SPEED PROCESSING

Hercules processes steel with high speed precision equipment.

STEEL PRODUCTS

BULK/SLIT COIL

FLAT SHEET

60" Max Width

Single Looping Slitter

Processing up to
500,000 lbs
in **8 hours**

Multiple locations
throughout the
Rocky Mountain West

High Quality Products
Hercules delivers a product that
meets your exact specifications

**Excellent for light
gauge slitting**

**10 - 30
gauge range**

**600/1200 FPM
high speed
slitting**

**40,000 lb coils
max weight**

STEEL PRODUCTS

- Aluminum
- Galvanized
- Paint Lock
- Aluminized
- Galvalume
- Perforated
- Stainless
- Coated Galvanized Steel - PVS
- Multiple coil/sheet widths, gauges, grade

Local
inventory
to meet
your needs
quickly

**American Steel
Made in the USA!**

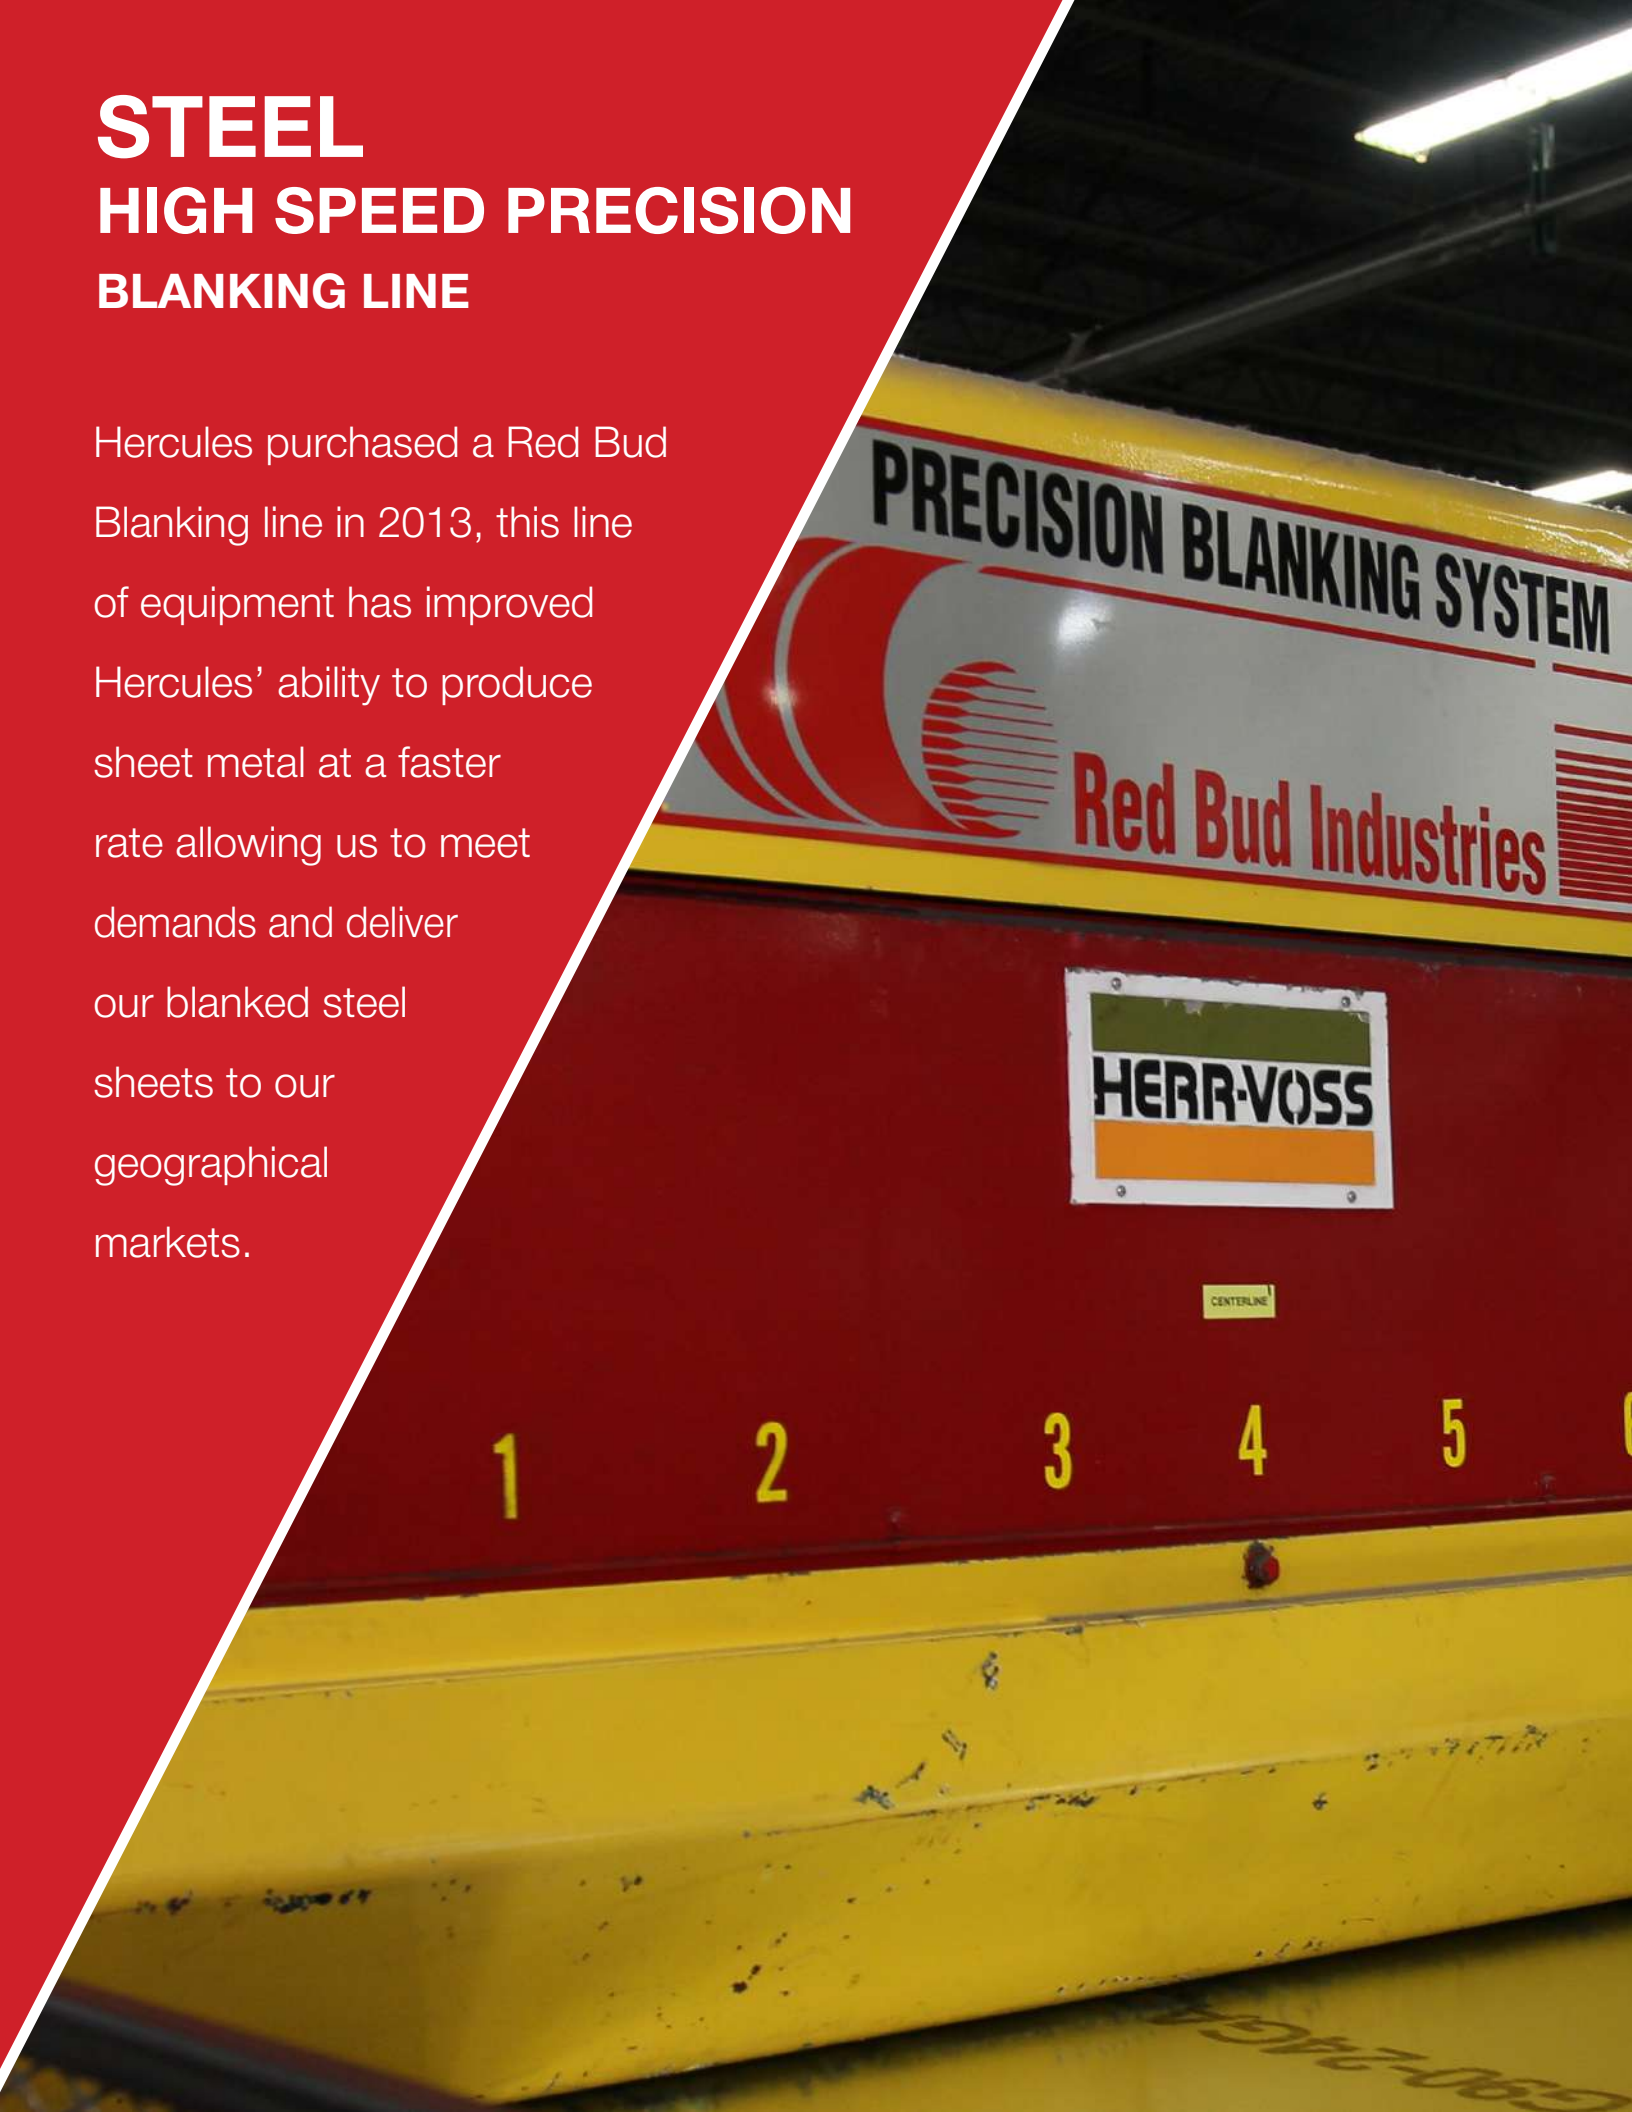

- Cut-to-Length
- Blanking
- Leveling
- Precision Slitting
- Value Added Services
- Toll Processing
- Paper Interleave & PVC Services

Top Quality and Reliable Efficiency

STEEL HIGH SPEED PRECISION BLANKING LINE

Hercules purchased a Red Bud Blanking line in 2013, this line of equipment has improved Hercules' ability to produce sheet metal at a faster rate allowing us to meet demands and deliver our blanked steel sheets to our geographical markets.

Quality Counts!

Hercules takes **pride** in its process adhering to the industry's most **strict standards.**

- **72" Width**
- **10 Gauge Capacity**
- **Precision Leveling Capabilities**
- **Paper Interleave & PVC Services**

We have invested in a Red Bud Industries precision blanking system. The Red Bud corrective leveling line gives Hercules the ability to produce a product that meets the industry's most strict standards. The Red Bud line gives Hercules the capacity to process steel up to 72 inches wide in 10 gauge capacity.
